Testimonials

*"Using multiple solutions from Elation Health means we have **one cohesive portal or place that contains all relevant information for patient care.** Elation Health hasn't ever told me they were going to do something that they didn't end up doing..."*

PRACTICE CEO/PRESIDENT | NOVEMBER 2025, COLLECTED BY KLAS RESEARCH

*"I like the interface... I think **ElationEMR/PM is easy, friendly, and usable.** Sending medications to the pharmacy works well. The system feels like a complete, better EHR than others, and it is simpler to use."*

PHYSICIAN | DECEMBER 2025, COLLECTED BY KLAS RESEARCH

*"I have been extremely happy with Elation Health. If I had to do everything over again, given the fact that I'm a small practice,... I definitely would buy ElationEMR/PM again... Especially for the money, it is a great product. **It is very reliable. It is easy for me to navigate. It helps me take good care of patients.** That is what I'm most concerned about. ElationEMR/PM really does work..."*
