Note Assist | Overview

Not for distribution / Elation Health

We're reimagining the Elation EHR with AI at the heart of ongoing innovation

Driven by our clinical-first philosophy

Elation has always prioritized the importance of empowering physicians with a modern, clinical-first solution.

Focus on transforming the encounter

Our priority is to revolutionize the encounter experience by deeply integrating innovative AI solutions to increase efficiency.

Reviving the craft of medicine

We are committed to enabling providers to return their focus to the more meaningful and impactful aspects of patient care.

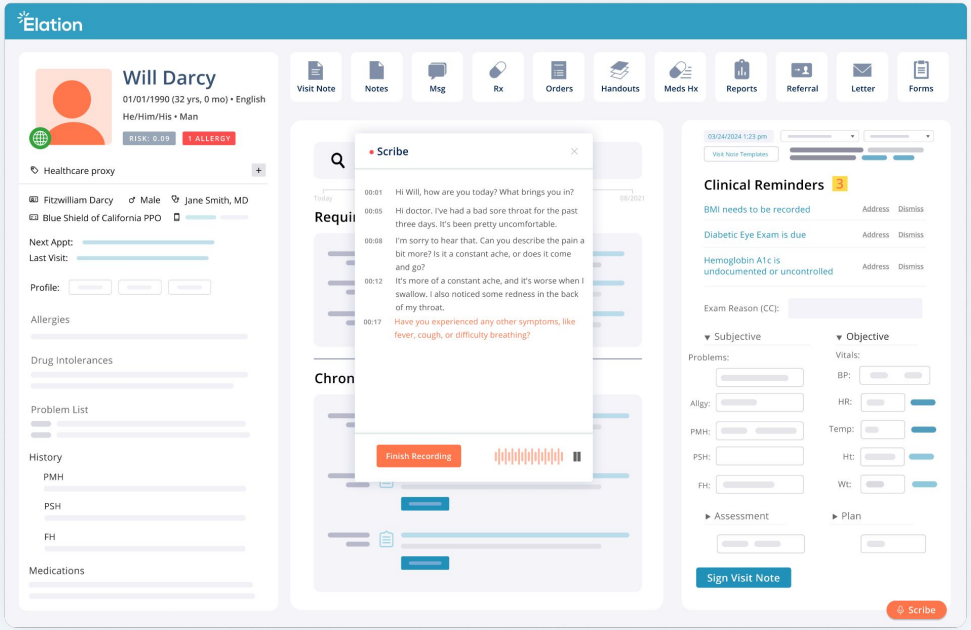
Note Assist

Engage more, type less



Never miss a detail

Ambient, AI-powered scribing and note generation.

Keep your battery charged

Seamless functionality works for you, in the EHR.

Reclaim time

Intelligent documentation saves up to **2 hours** daily.

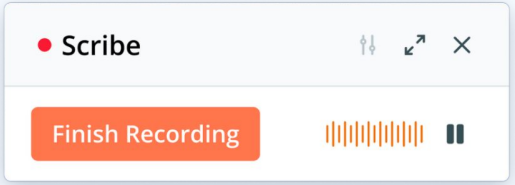
Restore your focus

More attentive care is easy with **Note Assist**.

NOT FOR DISTRIBUTION // ELATION HEALTH

NOT FOR DISTRIBUTION // ELATION HEALTH

Note Assist - unlike the others



Deeply integrated ...	for ease-of-use and a streamlined workflow.
Operates as an assistant...	so you retain access to EHR data and tools during every visit.
Real-time transcription...	with continuous note generation throughout the visit.
Works seamlessly with note templates...	to ensure comprehensive visits and tailored formatting.
Uses note content and patient data...	to drive quality and accuracy.
